The Editor Says...

Who would have ever dreamed years ago when our mothers were reading nursery rhymes to us that we were actually getting a preview of our life in high school. A fantastic thought? Why, no, for these verses really **do** tell the story of our days in OHS. Just think—we have "Little Boy Blues" in our band, "Jack Be Nimbles" on our track team, "Little Tommy Tuckers" in our chorus, and every one of us is a merry "Old King Cole" with our many activities and good times.

These and innumerable others from the Mother Goose world we once loved so well play a real part in our high school activities. Remembering all these little people from our past life and realizing that their rhymes make the rhyme of our present life, the annual staff has edited the 1947 TIGANDO.

Now, as editor of the TIGANDO, I wish to express to the members of the staff a most sincere thanks for their conscientious work and gratifying accomplishments under the guidance of our faculty advisors.

We sincerely hope that as you read through the 1947 TIGANDO the characters from the Mother Goose world will create for you a familiar picture of life at OHS and that as the years go by this picture will become more and more precious to you.

Dedication

It is difficult to describe such a person as she; it is impossible to capture with words a personality so complete as hers. Yet when we think of her, there comes to our minds a little nursery rhyme that must have been written just for our "Lonzy."

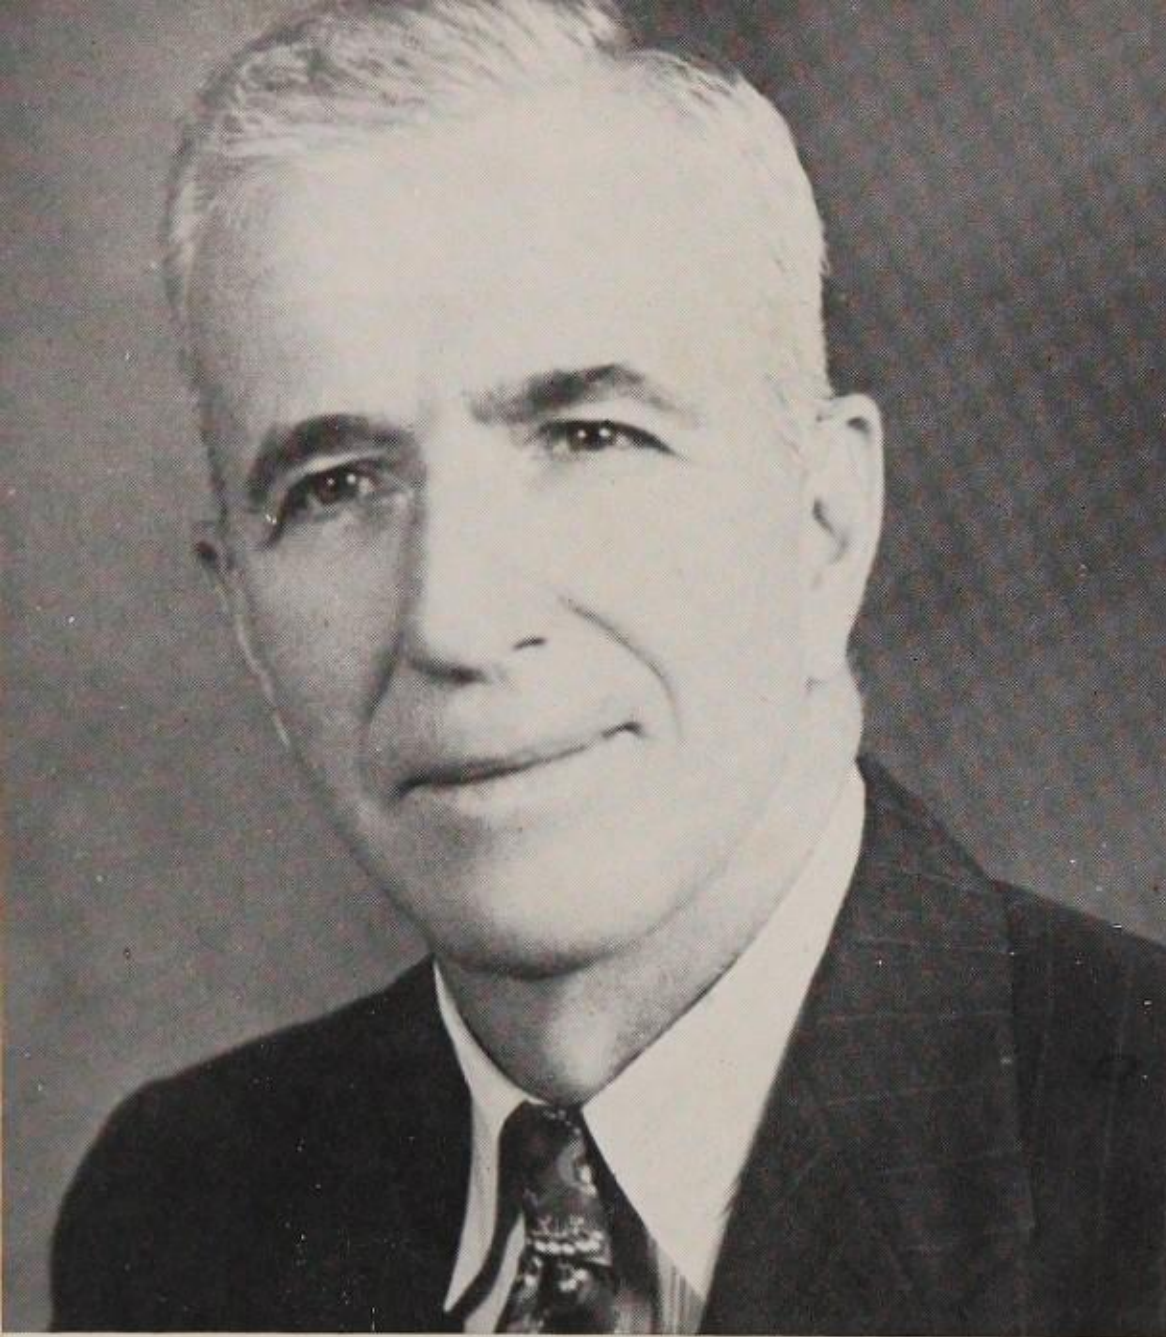

"Kind hearts are gardens,
Kind thoughts are roots,
Kind words are blossoms,
Kind deeds are fruits."

We gratefully dedicate the nineteen forty-seven TIGANDO to our sponsor and friend, MISS LORENA THOMAS.

W. R. BOONE

W. R. BOONE

"As broad as the West he came from." William Renick Boone's scope is wide and varied; trivial things have no place in the life and work of our respected principal.

Born in Atlanta, Illinois, in 1891, Mr. Boone claims January 20 as his birthday.

He came a long way after earning his Bachelor of Arts degree at the University of Oregon to earn his Master of Arts degree at Stetson University.

After also attending Pacific University, University of Florida, and University of Kansas, Mr. Boone came in 1921 to Orlando Senior High School. At first he was a football coach and English teacher, but later, in 1933, he became principal, which position he has held ever since.

Mr. Boone is active as a member of the American Legion and captain in the Florida State Guard. In his not-often-found spare time he enjoys reading and gardening.

During his twenty-six years of service in OHS Mr. Boone has not only been a friend and advisor to the students, but also the force behind that constant advance toward perfection in Orlando Senior High School.

RUTH E. MIER

Without Miss Mier, our assistant principal, hundreds of questions would go unanswered each day, and countless jobs undone, for it is she who supervises the work of the outer office.

Miss Mier earned her Bachelor of Arts degree at Hood College and her Master of Arts degree at Stetson University. She traveled to Pittsburgh, Montreal, and Paris, France, to do post-graduate work.

Her outside interests center around church work and gardening.

Efficient and capable, helpful and fair—we owe a great deal to our assistant principal, Miss Ruth E. Mier.

HENRIETTA P. GROETSCH

What would we do without the attractive young lady in the inner office who efficiently solves every problem that comes her way.

This is Henrietta Perley Groetsch, our school secretary. It is she who keeps a permanent record of every student, cares for our club activity money, types all school letters and forms, and, unofficially, gives helpful advice to all who ask it.

These are her many services to OHS, but in the "outside world" her only duty is being Mrs. Emil H. Groetsch, just another busy housewife.

CLASS OF '47

OFFICERS

JUNE COSSIN	President	FLO JOHNSON	Secretary
BOB GRINER	Vice-President	CONRAD STEWART	Treasurer
MISS THOMAS	Sponsor		

The class of '47 departs from OHS taking with it many happy memories and leaving behind a list of noteworthy accomplishments.

Our first year found us eager and willing to work. We took care of Tiger Den's snack bar as our main project. Something "different" in the way of a sophomore dance was our Hillbilly Hop. Miss Myra Agnew as sponsor and Reed Morris as president started us on our life at OHS.

Socially-minded as juniors we gave three dances—the Valentine Dance, the annual Shipwreck Dance and the Senior Prom. Our day at Yowell-Drew-Ivey's proved most successful under the leadership of Miss Helen Bass, class sponsor, and Stavros Demopoulos, class president. At the end of the year a committee of juniors assisted the P.-T. A. in decorating the stage for baccalaureate and commencement exercises. In addition, we furnished ushers for both services.

Now, as we finish our last year at OHS, we will take with us the memories of our class projects, which were the refreshment bar on the Tampa football trip, the Senior dance, our booth at the fair, Dickson Ives' Day, the amusing Kids' Day—all happy memories because of our sponsor, Miss Lorena Thomas, and our class president, June Cossin. And so it's good-bye to OHS from the Class of '47.

MISS THOMAS

Class Prophecy

It's Hickory Dickory Dock,
As the hands go around the clock.
Let's look into the future and see,
Those familiar to you and me.

MARY FORD is the owner of an exclusive dress shop which caters to all sizes, shapes, and colors. Last week while repairing the shop lighting system, DAVID CONDREY, chief electrician with the Jack Be Nimble Candle Co., crossed his wires and had to be rushed to the Dead Tired Hospital in an ambulance driven by fast and furious RAY DIXON. After careful study and assistance of laboratory technician SHIRLEY HODOVAL, Dr. ALVIN BLOCK, with the help of Drs. LAWRENCE CARTER, BOB GRINER, and JIMMY PORTER, diagnosed the case as "cremated epidermis of the thumb and forefinger." With FRANCES LEE as his nurse, the eminent psychologist, NANCY MAGRUDER, had to be called in to persuade DAVID to leave the hospital. Discouraged with the whole affair was ROBERT RAMSDELL, local funeral director. Also in the hospital is BILL PEELER, baseball player and eligible bachelor, unwinding from one of his famous "pitches."

BETSY BURTON, private secretary to that prominent businessman, HOLLIS O. McCALL, is the proud wearer of the new Miss Muffet hairdo created by JUANITA MORRISON, owner and operator of the Slick Chic Beauty Salon.

On tour with his planet famous Hi Diddle Diddle orchestra is conductor REED MORRIS. Featured on the piano bench is ART ALBERTY; he turns the pages for pianist MARGARET HAMPTON.

Dr. HARRY ELROD, painless dentist, has just installed soundproof walls in his new office building, which was designed by architect BILL GRANT.

JIMMIE NELL FLEMING and ANN EIDSON, U. S. Ambassadors to Mars, recently published a travelogue of their adventures entitled **The Sky's the Limit, or My Stars.**

Operating the quaint Ye Olde Mother Hubbard Dining Room, where the cupboards are never bare, is BERLYENE OWENS. Just in case the patients should get "Toe-Maine" poisoning, Dr. MORTY COHEN, chiropodist, has his office located next door.

Stars are twinkling! SUZANNE WHEELER, along with PAT KERR and HUGH STUMP, has received top billing in the play "The King Was in His Counting House," soon to be staged in the "big city." Also in the spotlight is VIRGINIA CARTER, who is singing her way to stardom.

According to the latest election returns, big DEMO-crat DEMOPOULOS will be the next mayor of his fair city. He will reside in The House That Jack Built.

NELDA WOLFE is the new owner of the Ride a Cock Horse racing stables located just north of Banberry Crossroads. WARREN CAVERLY, local rancher, has just lost some of his best cowpunchers, JUD FULMER, JOHN BENOIT, and JOEL WELLS. Says WARREN: "I guess the cows finally punched back."

Playing a big part in the lives of "future citizens" is BEJIE BARLOW, teacher at the Wee Willie Winkie kin-

dergarten, and DOROTHY CLARK, librarian at the Lazy Library for Little Listeners. On Saturday mornings over Station ABC, CAROLYN SHIVER narrates fairy tales to keep the youngsters "up-to-date."

Outstanding at the recent World-Wide Assembly was ERNEST HAGENMUELLER, delegate from Georgia. To be on the safe side he took along the incomparable interpreter, NANCY DAY.

Fire chief JAMES MILLIGAN is conducting a series of fire-prevention programs over the local network. Radio controlman EARL COMPTON has been pinch-hitting for commercialist EDWIN PHILIPS, who finally talked himself into trying his products, a mattress and pillow made from Black Sheep Wool. His last comment was Baa!

JOAN HISCOCK has just been unanimously voted the Nation's Best-Dressed Woman. In her statement to the press, she gave due credit to ANNELLE PERRY, motion picture costume designer, who originated some of her favorite apparel.

JANICE NULL is now the featured singer at the Winkum Blinkum and Nod Night Club, the only night club which stays open only during the day.

DAVID PITTMAN has just purchased The King Coal Woodyard. While signing the final papers, he was heard to remark, "If a woodchuck can chuck wood, so can I."

Sailing over the bounding main to faraway regions are THOMAS HASDORFF and EUGENE REYNOLDS. They're on board the miracle ship, "Alice in Wonderland." Hoping to join them soon is THOMAS HUNTER.

The capitol building is being redecorated by interior decorators JUNE COSSIN and BARBARA JONES, who just can't get away from the old Orange and White color scheme. They're trying to convince Governor FRANK PAGE that when they finish he will be the envy of the whole country and . . . city, too!

BETTY JEAN BROWN and EMILY STRAWN, writer and illustrator, respectively, returned from their tropical "Isle of View" recently to begin production of the play based on their most recent book, **Life as a Teapot, or We're All Steamed Up.**

FLO JOHNSON, BETTY LAND and VIRGINIA FISHER have opened a flower shop, The Mistress Mary. They will have to sell silver bells and cockle shells for a while because the plants have been quite contrary in starting to grow.

We now must leave our future citizens tending to their respective jobs of rebuilding the London Bridge, which finally fell down, singing songs of sixpence, and buying reserved seats on the planets so that they may fully witness that great event of the cow's jumping over the moon—for the hands of the old hickory clock are slowly unwinding and so—back to the present year of 1947.

Last Will and Testament of the Class of '47

We, the members of the Class of '47, being of unsound and feeble minds, do take our pen in hand to make, publish, and declare this, our last will and testament.

To our successor, the Class of '48, we leave the wish for as happy and perfect a senior year as we have had.

To Beverly Hoffman and Bette Cooper, Sally Woodbury leaves her leadership of the Bengaliers—in hopes that they will continue to keep things going in—er—full “swing!”

Barbara and Edith Foster leave their ability to keep their teachers and classmates in a state of confusion to Dolores and Dorothea Trovllion. (In other words, “double trouble”).

Having been taught that you must “eat, sleep, and drink journalism,” Peggy Ann Steele leaves this journalistic diet to anyone ready, willing, and able to digest it. (How 'bout it, Terry Nunez?).

Betty Marie Davis leaves her “way with words” to Marjorie Meckstroth, while the quiet ways of Leah Bush are bequeathed to Ann Proctor, in hopes that she can find a way to use them.

Jean Podmore and “Micki” Miller, that inseparable twosome, leave their partnership to Jean Ann Spaulding and Elaine Ritchie, and the friendship of Gene Boyd 'n' Bernette Ablen will be carried on by Winifred Struble and Agatha Loucks. (Which proves that “the only way to keep a friendship is to keep it going.”)

Dabney Davis leaves his wit to whoever will take it, while Stavros Demopoulous hopes that Brother John will carry on with that “Demo” personality.

Recipient of Helen Martin's big, brown eyes is “Sissy” McLeod, and Irys Howey thinks Patti Michaels is just the person to receive her sophisticated manner. Betty Ann Owsley leaves the honor of being the youngest senior to any successor who can claim it, while those last-minute trips to meet deadlines for the “Orange and White” are left with a sigh of relief by Margaret Brokaw. They're just **left**—period.

Jim Block 'n' Betty Lou Curtis leave their unending devotion to whoever can match their record for “going steady,” and Donna Claire Evans leaves her “happy-go-lucky” attitude to Helen Riley, who really doesn't need any assistance.

pounds, while Bocky Smith sends an extra inch of height to Bradley Dansby, who wants to “come up” in the world.

Sydney Allen will put to practice the beauty aids bequeathed her by Betty Carol Medlock, and Jane Ives wills her continuous effervescence to Nell Troy Kincaid.

Julia Bailey leaves her love for flying to Shirley Hurlbert, who is “up in the clouds” about the whole thing, while Betsy Burton leaves her many practical (and impractical) jokes to anyone who can put them over successfully.

Mary Highgate thinks Sally Shearouse should receive her Southern drawl, and Louise Finne's rapid rate of talking goes to Jane Reynolds.

The petite cuteness of Vera Jarvis is bestowed upon Helen Coith and Josephine Thibadeau is heir to the efficient ways of Catherine Torrance; that sparkling smile of Barbara Rinker will now be seen on the countenance of Beverly Stowe, who already has an enviable one of her own. (Did Dentyne do it, girls?)

Dan and Dave Smith leave friends Rodney and Alfred (no relation) to carry on the namesake of “Smith” lest it should be forgotten with the passing of time, while Patty Ann Jackson leaves Sister Kathleen to uphold the Jackson tradition, and Phoebe hopes Sister Lois will continue with the Miller standards.

Harry 'n' Hal Saunders, Junita 'n' Geneva Knight, and Phyllis 'n' Jean Ryan leave the sincerest hopes that the Class of '48 will be more original and have fewer cases of mixups as to identical likenesses.

Hollis McCall leaves the Tiger team, reluctantly; Paula Moon gives her friendliness to Barbara Johansson, and the G.D.C. and S.M.T.C. are left to next year's majors.

The rest of us leave behind the trips to Mr. Boone's office, the fun we had in cooking in foods class, our knowledge of atomic energy and Einstein's theory, the joys of Senior themes and Kids' Day, our names carved in the desks or written on the walls, our tardy slips—both excused or otherwise—our report cards and semester exams, and all our friends in the Classes of '48 and '49 in hopes that we won't forget and you will long remember the—

A year ago when our class entered OHS as sophomores, we had two main projects—operating the Tiger Den snack bar and compiling a scrapbook of ideas and snapshots to be used for our 1948 Tigando.

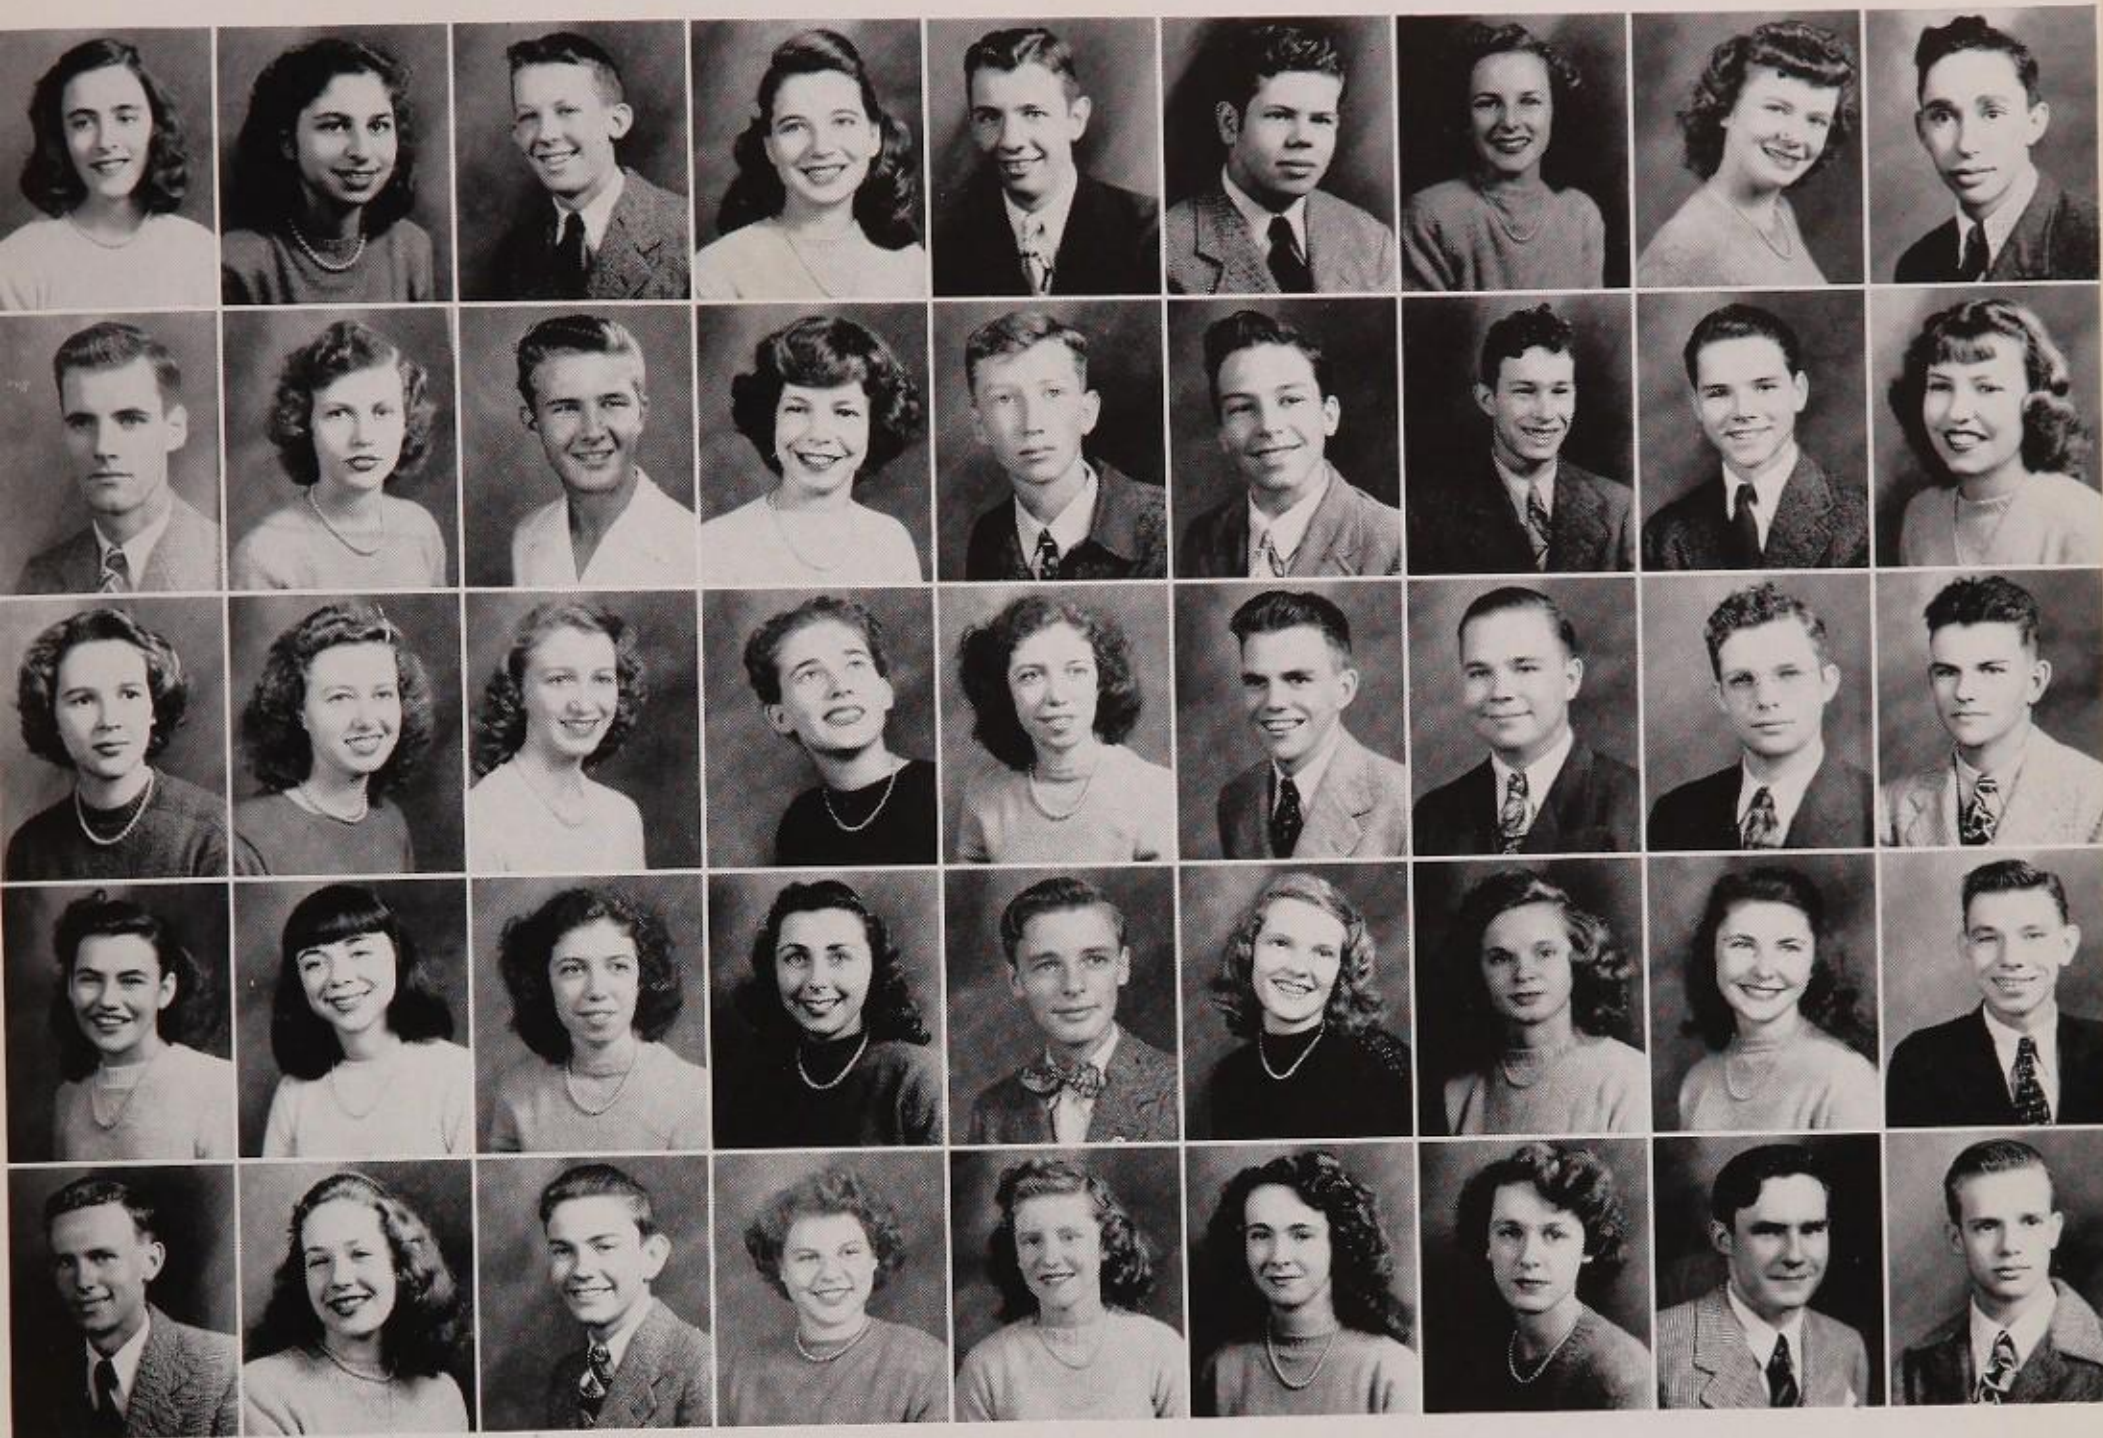

As juniors we have chosen capable officers and an enthusiastic sponsor, Mr. John Thomsen, who in turn have appointed an Executive Council.

The annual "Shipwreck Dance" was enjoyed by everyone. Our "Junior Day" at Yowell-Drew-Ivey's proved to be very profitable. We will always look back with much pride on the Junior-Senior Prom, given in honor of the graduating class; and on the baccalaureate and commencement exercises at which we juniors ushered.

Under the guidance of the Executive Staff we have had a most successful year.

CLASS OF '49

The Class of '49, one of the largest ever to attend OHS, has already ably demonstrated its exceptional ability and leadership in many ways. The class has had a successful year under the sponsorship of Miss Anne Bruce and Mrs. Clifford Shaheen and the guidance of the Executive Council—Jo Anne Davis, President; Shirley Hollingsworth, Vice-President; Betty Meyer, Treasurer; Bob Livingston, Secretary; and Members Kay Harding, Arlene Crew, Molly Corkhill, Barbara Brewton, Peggy Hicks, Agnes Sweat, Hugh Whitehead, Donnie Dyer, Jimmy Grant, David Myers, and Joe Pittman.

The two big projects, manning the Tiger Den Snack Bar and making a definite attempt to increase school spirit, were both capably carried through.

The highlight of the year was the party at Tiger Den in March. Both the dance and the floor show showed careful planning and capable execution.

It is hoped that every member of the Class of '49 will continue to uphold the high standards that the class as a whole has created.

Football

"Tweedle-dum and Tweedle-dee
Agreed to have a battle . . ."

Many people will disagree with us at OHS when we say that the 1946 football season was a success. They will point to the record and say that any team with seven defeats certainly couldn't be considered a success. We won't argue about the defeats but will simply point to the three victories and tell how they were won. These games were won after four first-stringers were lost in preseason accidents and after a decisive beating had been given us in midseason. This beating alone would have been enough to make the average team give up. The 1946 Tigers, though, never quit fighting and came through their last two games with claws flying. OHS is proud of her fighting Tigers.

Game Writeups

Orlando—26

Tarpon Springs—0

Opening the 1946 season with a bang, the Tigers trounced the game, but outclassed, Tarpon Springs Spongers by the score of 26 to 0. Hollis McCall, Bert McCree, and Kent Stevens stood out in the backfield, while Bob McGinnis, who scored two touchdowns, led the line.

Orlando—7

Plant City—12

In their second game of the season, the Tigers were unfortunate in tangling with a Plant City team that was on the rebound from a rout by Hillsborough. The Planters showed their determination to win by taking the opening kickoff of each half and driving for the deciding scores. McCall again starred in the backfield, as did Art Ross in the line.

Sixth row: Coach Verkins, Bobby Roth, Joey Pittman, Dabney Davis, Jerry Chamberlin, Jimmy Franklin, Coach Smith.

Orlando—6 Andrew Jackson of Miami—12

Although playing the Big Ten champs off their feet in the second half, the Tigers were once more beaten by one touchdown. The Jacksonites piled up a 12-point lead in the first half but were unable to do anything after intermission. Leading the onslaught which barely fell short were McCree and Ross.

Orlando—6 Plant High of Tampa—21

Failing to show the form which they had flashed against Jackson, the Tigers fell in defeat to a smooth-running Plant High team, 21 to 6. The only sign of life which was shown by the Orlando team occurred in the fourth quarter when Mac McCall looped a screen pass to McCree for a score.

After suffering three straight defeats, the Tigers had a victory nearly tucked away when it slipped through their grasp and became their fourth loss. Scoring in the second and third quarters, the Bengals led, 12 to 0, when the Green Devils pushed across two quick counters, the conversions after which these won the game. Fulmer and McCree did some excellent running, while Ross played sterling defensive ball.

Orlando—6

Hillsborough—45

Unable to match the Terriers in either size or number, the Tigers hit the deck for the fifth time. The outstanding point in this game from the OHS view came in the second quarter when the Bengals drove 46 yards for a touchdown on the strength of three trick plays, executed by McCall and McCree.

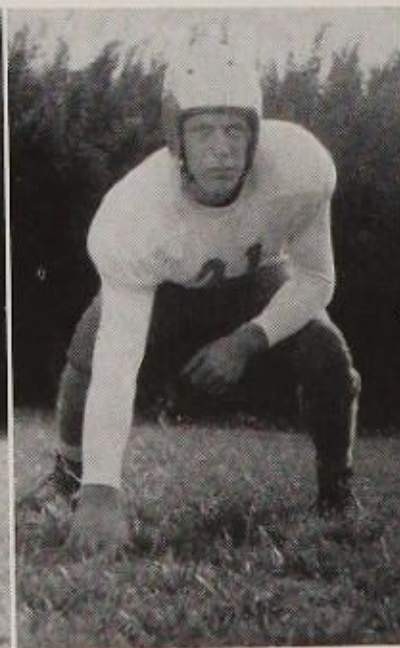

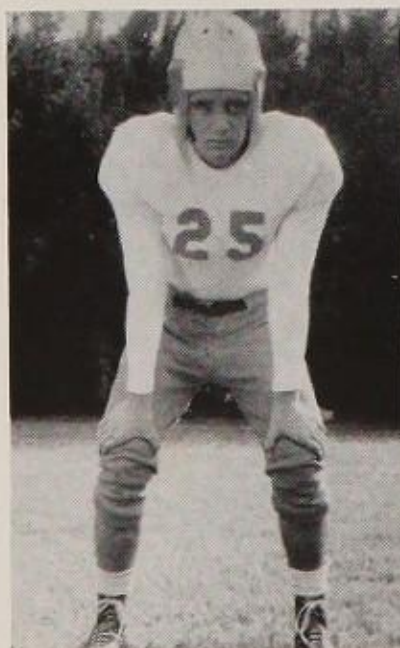

DABNEY DAVIS, JERRY CHAMBERLIN and JIM FRANKLIN

Orlando—21

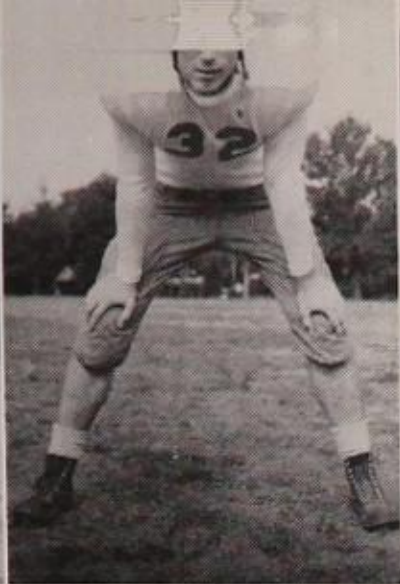

West Palm Beach—31

In years to come this game will probably return to haunt Coach O'Neil and his assistants. Thanks to runbacks of intercepted passes by Bert McCree (twice) and Kent Stevens, Orlando led at halftime, 21 to 6. However, a Palm Beach man ran the second half kickoff back for a touchdown, and from that point on, the game was a track meet.

Jefferson of Tampa—28

Evidently still in low spirits from the Palm Beach game, the Tigers sullenly accepted a sound beating from the Jefferson Dragons of Tampa. Only on one play did the Tiger growl. Here, McCall passed to McGinnis, who lateraled to Ross. Ross ran the rest of the way for his first and last score of the year.

Orlando—13

Clearwater—0

In a game marred by riots, the Tigers broke their seven-game losing streak by whitewashing a good Clearwater team, 13 to 0. Acclaimed by West Coast fans as one of the finest backs to appear on the Clearwater turf during the entire season, speedy Bert McCree darted 39 and 78 yards to score both touchdowns for the Orange and White. Other stars besides McCree were Peeler, McGinnis, and Stevens.

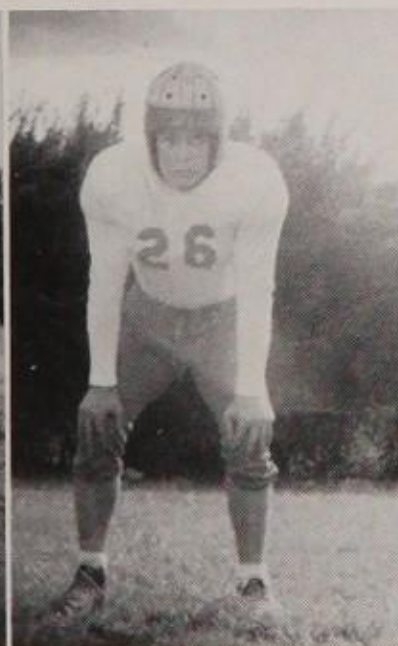

Orlando—19

Lakeland—0

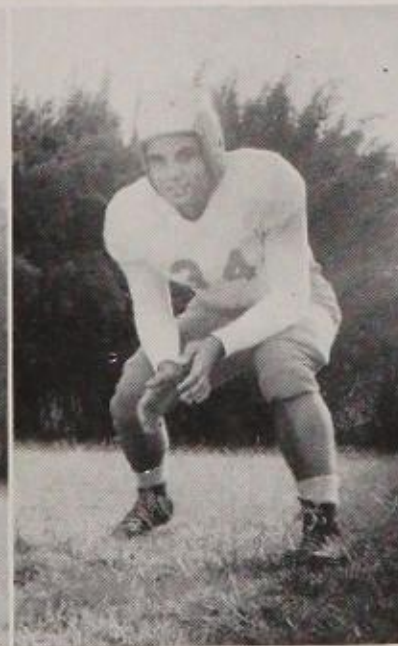

In the final game of the season, the 1946 Tigers wrote a brilliant finis to an otherwise lusterless year. Rolling with a smoothness which hadn't been exhibited by an Orlando team in years, the Tigers completely stifled the big Dreadnaughts. The scoring was opened when Captain Stavros Demopoulos scooped up a blocked kick and dashed to the promised land. The other counters were racked up by McGinnis-through-McCall passes. The line was sparked by McGinnis, Chan Akin, and Johnny Demopoulos. The outstanding backs were McCall and Johnny Francisco.

BASKETBALL

Under the very capable direction of Coach Ty Smith, the Tiger basketball team "went to town," improving as the season advanced. They had a tough schedule and concentrated on conference games.

Some outstanding players were: "Bummie" Townsend, who is excellent on pivot shots, general floor work, and rebounds; Hollis McCall, who is very good at handling the ball and defensive work; Bob McGinnis, who is known for his "scrap"; Milton Drake, who is aggressive defensively—although honors could very well be distributed throughout the squad.

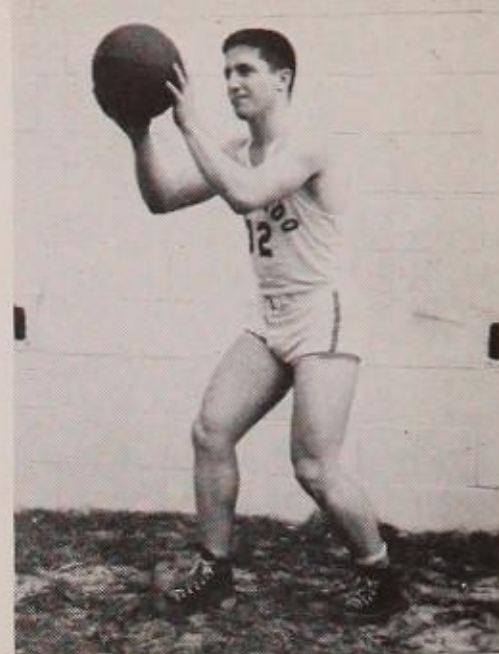

We are very grateful to Coach Smith for producing a team such as the one we had this year.

Yup, "Ole Casey" was at the bat again, but our Tiger Baseball Team was more than ready to receive the hard games of 1947's tough schedule, under the leadership of Coach Carlisle Hughes.

The schedule includes such teams as Lee and Fletcher of Jacksonville, Lakeland, Hillsborough and Jefferson of Tampa, Daytona, Leesburg, and Sanford.

The only returning lettermen were: Tigner, Peeler, Browning, Francisco, Stone, Dobbins, and Feidler; therefore, our team was quite green when the season opened.

Under the leadership of Betty Marie Davis and Alvin Block the Student Council has been very active.

The Council conducted all school elections, sold football and basketball tickets, and sponsored drives for the P.-T. A., Red Cross and Tuberculosis Association. In December the Student Council and P.-T. A. jointly sponsored the second annual Winter Carnival, which proved to be very successful.

For the first time delegates from OHS were sent to St. Petersburg for the annual meeting of the Southern Association of Student Government. Upon the report of these delegates, the council approved and adopted a plan to have two activity periods per month in which the students could discuss school problems, thereby having more voice in their government.

The State Association of Student Government held its annual meeting in Orlando in March.

Under the leadership of Jimmie Nell Fleming and Conrad Stewart, the Second Semester Student Council played an active part in the student life at OHS.

Some of the main projects sponsored by this Council were the enactment of an activity period, twice a month, during which students were able to discuss school problems. The OHS Student Council was also host to a state convention of student leaders March 20, 21, and 22. This was the first meeting of this group since 1941, and was very successful.

The revised point system was also put into effect by the Council.

ORLANDO HIGH SCHOOL CHORISTERS

The O. H. S. Choristers opened the year 1946-47 with the presentation of "Gaslight Gaieties," assisted by the dramatic art department. A Christmas pageant, "The Promised One," was presented by the Choristers at Sorosis, for the school Christmas assembly, and also for the American Legion Children's party.

The second semester began with the presentation of Rudolf Friml's operetta, "The Firefly," on Feb. 12 and 13. The Choristers attended the vocal clinic in Tampa, the sectional music competition in DeLand, and the state music festival in Tampa in the spring.

Joining the National Thespians, the Choristers took part in the Spring Spice Box. On Easter morning, the A Cappella Choir sang at the Sunrise Service at Eola Park. The Annual Spring Concert consisted of all the selections used for state competitions, solos, quartets, trios and choruses. The Girls' Ensemble, Light Opera Ensemble and Chorister soloists presented over fifty programs in Orlando during the school year.

To promote the interests of debate, oratory, and public speaking is one of the primary aims of the National Forensic League. With the lifting of travel restrictions necessitated by the war, the Orlando NFL Chapter, for the first time in five years, was able to plan a full calendar of interscholastic speech events for 1946-47. In addition, they provided speakers and programs for numerous community affairs and through their radio unit, Station NFL, they continued their weekly broadcasts over WLOF.

To defray the expenses of an active year, NFL resumed its custom of producing an annual minstrel and variety show known as the Forensic League Follies.

National recognition came to the Orlando NFL when it was granted the Distinguished Service Award for 1946, and its sponsor, Mrs. Irene Lighthiser, received the Distinguished Service Key, two of the highest honors granted by the National Office. Orlando has the honor of being the only school in Florida ever to have received this distinction.

Under the direction of Don McAllister, of the WDBO announcing staff, the players write, produce and act their own productions which are aired every Friday at 5:45 p. m.

The group has grown from twelve charter members to its present membership of nearly fifty students. Regular members must be Orlando High School students, although Winter Park and St. James students may obtain associate membership.

THESPIANS

The stars of OHS really outshone themselves this year. They produced three 3-act plays in the best tradition of the dramatics department.

The first, "Date With Judy," was presented November 19 and 20, and received much acclaim as a gay comedy.

The costume production of the year, "Pride and Prejudice," was produced January 29 and 30 in the OHS auditorium.

In the spring, the department benefited the Junior League with a presentation of "Huckleberry Finn."

A Thespian breakfast and a boat ride highlighted the social program of the year.

Under the excellent supervision of Miss Mildred E. Murphy, the Thespians have completed a very successful year.

Membership includes Nell Troy Kincaid, Helen Kessel, Hugh Stump, Jack Kelk, Thomas Hasdorff, Nancy Bruning, Danny Gray, Harold Taylor, Louise Finne, Macauley Andrews, Terry Nunez, Patty Ann Jackson, James Grant, Shirley Hurlbert.

The Torch Society has as its purpose the maintaining of high standards of scholarship, leadership, character, and service. It is composed of those students who were members of the National Junior Honor Society in the junior high schools.

This year the members have had as their project the decorating of the OHS stage on Fridays, and as a special project the "adoption" of Joe Williford, who, because of a severe accident, was unable to enter OHS with his class in 1945. As Joe would have been a member of the Torch Society, he has been made an honorary member.

Continuing its purpose of creating school spirit among the students of OHS, the Pep Club's list of activities includes reserving a special cheering section at home football games for Pep Club members, chartering a special train to attend the OHS-Jefferson game in Tampa, sponsoring parades through town to the football field, having a bonfire rally before the last home game, backing our basketball team by attending out-of-town games, and giving a dance honoring the athletes.

Open to any student anxious to further school spirit, the Pep Club, under the joint supervision of Mrs. Julian H. Hyer and Miss Lulu B. Blakey, has over four hundred members, making it the largest club in OHS.

We, the Key Club, are unproclaimed by long years of recognition compared to other organizations in our school, but we are making up for what we lack in gray hair and long beards in accomplishment. Our main objective is to better our environment, namely, OHS.

Our ranks are composed of willing and enthusiastic boys—those who have proved their mettle and therefore their eligibility for membership by their scholastic and extra-curricular records.

The Kiwanis Club sponsors our program, and many of their ideals we have adopted.

As a whole, the Key Club offers means whereby boys in the upper classes of high school may engage in comprehensive practical self-training for adulthood.

The aim of the Lens and Shutter Club is to stimulate interest in photography among the students of Orlando Senior High School. Under the amiable guidance of Miss Myra Agnew this organization enjoyed social companionship as well as educational benefits.

The main projects of the year were obtaining snapshots for the 1947 TIGANDO, sponsoring a photography contest in which the student body participated, and equipping their darkroom.

Besides regular discussions and exchange of ideas, an outdoor photographic scavenger hunt was one of the novel ways by which individual members increased their knowledge and improved their technique.

The Orlando High School Bowling League is sanctioned by the American High School Bowling Congress which is a non-profit national organization whose purpose it is to encourage bowling among younger generations.

The O. H. S. leagues bowl once a week at the Bowling Center under the supervision of their sponsor, Mr. Thomsen.

At the end of the bowling season the two highest rated teams in each league participated in the National High School tournament which was held in Los Angeles.

CHEERLEADERS

OFFICERS

BARBARA RINKER . . . Captain
JIMMY CLOUSER . . . Co-Captain
MISS ANNE BRUCE . . . Sponsor

Here they are—the cheer leaders whom we see cheering so energetically at all our football games. There's one cheer leader you don't see down front at the games, but she's always on hand at all practices with her assistance and helpful advice—it's Miss Anne Bruce, sponsor. Then there's another who deserves a lot of credit—Captain Barbara Rinker.

Under these expert advisors the cheer leaders have cheered at many out-of-town football and basket ball games as well as at all the home games. They also sold ads for the football programs.

The Orlando High School Band is nationally known and recognized. It is an outstanding organization of progressive and talented young musicians, serving unselfishly our school and our community. Membership in the Senior High Band is a prized possession, bestowing upon each boy and girl the opportunity of receiving unequalled training in musicianship and music appreciation, plus the proper development of personal character, self-discipline and co-operative citizenship.

The school year 1946-1947 has been a very successful year for the band. The drill band made trips with the Tiger football team, and also presented their colorful formations for several college games during the season. A series of fourteen Sunday concerts was presented in Eola Park. The band has participated in many parades and other civic functions too numerous to mention. The highlights of the year were the Concert Band Tour and the State and District contests.

Under the supervision of Miss Mildred E. Nelson, ORANGE AND WHITE, one of the major projects of the Journalism Class, has completed a very successful year, despite the many obstacles which an inexperienced staff encounters.

The paper has progressed and prospered considerably since last year, when TIGER RAG was enlarged and it took on its more dignified title, ORANGE AND WHITE.

In December, 1946, the newspaper sent three delegates to the National Scholastic Press Association Convention in Milwaukee, Wisconsin.

TIGER TALK, the OHS Saturday page in the Orlando REPORTER STAR, had as its goal bringing to the community information concerning all activities at OHS and some highlights of affairs at Cherokee and Memorial.

It's long after three o'clock. All the students have gone home—but wait! Is that "midnight oil" burning in the TIGANDO room? Why yes, there are Joan, Mary and Mrs. Miller planning pages and setting deadlines for their staff. Who is that in the corner sketching from a nursery rhyme book? Oh, it's Terry, our art editor—on the other side of the room are Ann and Vera slaving away, planning pictures and write-ups.

Hike, two, three, four—that's Joel and Lorraine discussing their sports pages—the fiendish laugh comes from Betty Jean, who's busy devising ways and means to take the "Who's Who" pictures. The clatter of typewriters fills the room and we know that Helen, Myra, Margaret, Alice, Rita, Betty Ann and Dorothy are hard at work. There are Nancy, Suzanne and Kitty pouring over big quotation books.

Down the hall in Mrs. Holbrook's room we find "the king's in his counting house counting out his money"—or, in other words, Ed, Ernie and Mrs. Holbrook are trying to balance our books. And there to help them, with receipt books clutched firmly in their little hands, we see Helen, David, Donna, Betty Carol, Janis and Bocky.

So you see everyone has done his share and more toward putting together this annual, and we sincerely hope the '47 TIGANDO will be one of your most cherished possessions.

The background of the entire page is a dramatic, high-contrast black and white illustration. It depicts a vast, cloudy sky. In the foreground, there are dark silhouettes of trees and a couple standing together, holding hands. To the right, a building with a dome is also silhouetted against the sky. The overall mood is romantic and elegant.
